

Our Lady Queen of the World Catholic Academy

Grade 10 Course Selection Presentation
February 15, 2024

Opening Prayer

We ask for God's blessing on our Foundation and its family of schools. Lord; grant us the will to work together, the wisdom to listen to each other's views and the insight to plan together, in recognition of our role in supporting one another. Help us to continue as a school that supports the development of each individual child, offers a stimulating working environment for staff and provides a focus for the local community. Continue to guide Our Lady Queen of the World Catholic Academy to forever be an example of Christian witness in our world and Christian roots in our communities.

Amen

OLQW Land Acknowledgement

The Our Lady Queen of the World Catholic Academy community acknowledges, with gratitude, the Indigenous land that it resides on, and the nations that call it home, including the Haudenosaunee, Anishinaabewaki, the Mississaugas of the Credit, the Wendake-Nionwentsio, and the Métis people. We continue to embrace collaborative values in recognition of Indigenous cultures and the wealth of experience and knowledge that these cultures provide. We acknowledge that, as people who share this land, we must also share the responsibility of upholding Treaty 13 and the Williams Treaty. We will ensure that this shared land, and advancements made on it, are done in the spirit of furthering the 94 Calls to Action towards reconciliation and in collaboration with the Indigenous communities and people who share this land.
